Mins of Previous Meeting	Action
Proposed – John Ross 2 nd – Rachel Faulkner	
Finances Hall - £1000 - £800 electric bill paid CBCA - £4783 Park - £813	
Broadband will be changed to full fibre and cheaper monthly contract	JR
Received credit from EDF	
Panto group still owe money for hall hire	PA
No payments in for park as not been used since Nov due to weather	
Defib has been paid for , many thanks to Rachel and pantry who paid for the defib. John to chase up re delivery	JR
Thank you letter from Morag or the presents she received	
Park - Thanks to Tracy for her hard work in finding out information from Tesco re the blue disc payments to organisations. Will need match funding and there is an 18 month waiting list - Approach from Martin at Killy, he is prepared to put funding request though INEOS for the all weather pitch which will cost apprx £3250 for cleaning/Repair. Pitches will need relined for various sports. - Sarah has use of Brewdog music room which can be used for a venue for a music event to raise money - Development Obligation Money still sitting £8,500 – can not be used for repairs but refurbishment may be considered - Football pitch has been damage by bikes driving over it - Cyril was cleaning up car parts and spoke nicely to Council who kindly removed them	PA/MT SS PA/JR
Hall - Music Event cancelled - Look at trying other things, maybe Ladies Day	RF

• Xmas Fayre being held this weekend 14/15 Dec – no advertising seen, Peter will contact event organiser • Wreath making booked again for 16th Dec	PA
Mission Hall • Due to receive keys end of Dec – Angelo spoke about getting roof fixed	
CAP • Jan Blakey will not be in CB Dec/Jan – Review will be published in February – CBCA and CC need to review content before Publishing	PA
Xmas • Sleigh – trailer arriving on Wednesday for the sleigh to be put in situ. Peter will contact Sean Swindells as he will be towing the sleigh. QR code will be put on side of donation buckets so that people can pay donations by paypal • Rosemary has bought selection boxes • Many thanks to Coastguard for putting up the Xmas lights – need to get LED's to do repairs for next year. If new lights needed Rachel may be able to get donation from her work • Many thanks to Sid for tree and Pam/Lucy for decorating • Excellent turn out for the Xmas tree lights turn on considering this was organised last minute. Many thanks to Pam for pushing project forward – £45 raised including donation from the light lady. Left over baking to go to Killy for Xmas Eve event. • INEOS are buying the tree next year and Lucy has offered the event to be held at the Killy so that it does not coincide with the panto	PA RF/PA RF/LTT
AOB • There is to be a Watchnight Service this year the first since Covid • Now have a functioning generator at hall – car battery will need charged but there is no plug in the outhouse – Solar charging device will cost £30. Liz suggested speaking with Andy Wallis, Rachel has kindly offered £30. • Discussion re resilience plan which will be looked at 2025. Peter/John to have meeting with Eleanor Morrice maybe get funding through Coastal Communities Fund to buy container to store items • Peter has been in discussion with Swire in Peterhead who are prepared to provide 2 x containers to CBCA. One will be used for the Football Club and one for the replacement of the green container. May be able to fix hinges on green container door. Transportation will be provided. • Flooding in back burn again – Community Council will be bringing up with Council. • 4 pews have been sold, another 2 have been ordered. More will become available when removed • Marquees – ongoing re selling some of them. Rosemary spoke with Paul @ Newburgh who will put out feelers re potential buyers.	PA/RF ALL PA/JR PA PA/JR RP

• Library closure – Cllr Smith advised that there was to be a conversation re the library closure on 10th January, Council have not done an impact assessment and have just announced closure. Discussion surround future of what people want the library service to look like as people are not using the facility, possible click and collect in church. • Plan for church needed then go for funding, Ray has approached Peter to extend the current area down RHS to use as business areas – ongoing Date of next meeting – Tuesday 11th Feb @ 7pm	PA/JR/ALL
